

WEEPING SPOON PRODUCTIONS PRESENTS

***What happens when a dreamer meets the girl of his dreams?***

From the mind of Australian Shane Adamczak (Zack Adams, 3 x Just For Laughs Award Nominee and producer of the ★★★★★ Adelaide Fringe hits *This Is Not A Love Song* and *Vicious Circles*) comes a boy meets girl story that's less than ordinary.

**TRAMPOLINE** is the story of Matt, a dreamer whose worlds of fiction and reality are constantly being intertwined and combined into a surreal dreamscape mash-up of fiction, imaginary characters and real (although utterly bizarre) people. He finds it hard to fit in.

As part of his ongoing treatment, his therapist Doctor Vangillies suggests he start keeping a dream journal to document his dreams, nightmares, thoughts and fears. Matt's journal proves very effective, that is, until he meets Kelly the new neighbor. Kelly is beautiful, talented, funny and she even has a trampoline, Matt is instantly smitten. The show is a celebration of the weird things that we do that make us all unique.

Following the successful of our two previous Adelaide Fringe show *Vicious Circles* and *This Is Not A Love Song* and a 2015 tour of Canada, Weeping Spoon Productions is excited for the award-winning fringe-hit *TRAMPOLINE* to make it's Adelaide Fringe debut.

*"This little love story made me feel was something I found myself trying desperately to hold onto hours afterwards. You don't have to see Trampoline, but I assure you that your Fringe will be much colder and darker without it."* -The Marble

*"Adamczak is a comic writing genius.... One of the most endearingly whimsical love stories to grace the small stage I've ever seen."*  
-PerthCulture.com

*"A perfect dream for creators and audiences alike... Short, sweet, quirky, produced with passion. ★★★★★1/2"* - artsHubs.com.au

*"Takes that idea of boy meets girl and turns it on its head... easily one of the funniest plays I have seen in a while"* - The AU Review

*"This dark comedy is equal parts touching, funny, awkward and sad, and the characters will tug at your heartstrings and refuse to let go."* - Bloodyunderrated.net
